ITINERARY

NOTE: The places visited may vary by day for weather reasons.

DAY 1 - Tuesday - ARRIVAL
Upon arrival to Vágar Airport in the Faroe Islands a driver welcomes you at the airport.
The transfer to the hotel in the capital takes about 40 minutes.
On the way to the capital, you pass through Faroe's first underwater tunnel, with the deepest point 105 meters below sea level.
Depending on your landing time you will have time to discover the capital on your own this day. Welcome!

DAY 2 - Wednesday - MYKINES ISLAND
We drive to Sørvágur to take the ferry to Mykines where we will hike to the lighthouse in Mykinesislet, a place of beautiful nature known for its rich population of birds.
Here you can see puffins and gannets.
Good fitness is required for this trekking.

After about 6 hours in Mykines, return by ferry to Sørvágur and then to the hotel in Tórshavn.

DAY 3 - Thursday - VÁGAR ISLAND
The day begins with a visit to the picturesque villages of Bøur and Gásadalur. Here you visit Mulafossur, the famous waterfall that falls into the sea. Until recently the only way to get there was on foot across the mountains, although now a tunnel connects the two villages. Even so, Gásadalur still retains its authenticity and charm.
This tour offers an exceptional view of the fjord, the Tindhólmur islet and the Mykines island.

In the afternoon an easy hike of total approx. 2.30h will take you to the cliffs of Trælanípa, where you can see the famous point where an optical effect occurs with the Sørvágsvatn lake and the sea at 2 different levels.
Not far from here we walk to the viewpoint of the well-known Trøllkonufingur (the witch's finger), a curious rock next to the wild Atlantic coast.

Upon arival to Tórshavn our guide will take you on a short walking tour of aprox. 45 mins, around the oldest part ot the city, Tinganes.

ITINERARY

DAY 4 - Friday - THE NORTHERN ISLANDS
Day for a panoramic tour around the islands of Kunoy, Borðoy and Viðoy, islands with small towns dominated by high mountains with cliffs. The northernmost town, Viðareiði, is also visited. On the island of Kunoy we visit a small forest, unique in the islands.

In the afternoon we drive up to Mount Klakkur. The views from the parking lot are already spectacular, but if you are in good shape you can reach the highest part with your guide to contemplate the best of the views (approx. 1.30h total).

DAY 5 - Saturday - VESTMANNA & SAKSUN
Begin the day with 2-hour boat trip to the high cliffs of Vestmannabjørgini, departing from Vestmanna.
You navigate through narrow passages and caves, next to 600-meter-high cliffs where birds such as puffins, guillemots, fulmars and kittiwakes nest every summer.

After lunch, the route continues with a visit to the Viking settlements in Kvívík.

From here we continue to the picturesque village of Saksun, surrounded by high mountains and a lake with a sandy beach that leads to the Atlantic Ocean.

DAY 6 - Sunday - GJÓGV Y TJØRNUVÍK
After enjoying the views over Funningur, perhaps the best views from a road in all the islands, we reach the beautiful village of Gjógv.

Here we explore an interesting hiking trail of approx. 1 hour to some reach some nearby cliffs.

ITINERARY

Next, you can see from a viewpoint the rock formations in the sea known as "The Giant and the Witch", in Faroese, Risin og Kellingin.

Cross the "Atlantic Bridge" to reach Tjørnuvík, passing through the Fossá waterfall (140m), the highest in the Faroe Islands.
In Tjørnuvík we will walk along its beautiful beach.

DAY 7 - Monday -
RIB BOAT TOUR AND KIRKJUBØUR
Day for an exciting activity. 10 minutes from the capital we take a semi-rigid boat to explore the surroundings of the island of Hestur, visiting its caves and cliff.
This tour lasts 2 hours.

Not far from here we visit Kirkjubøur, an important historical and cultural place where you can visit Roykstovan, the oldest wooden house with 900 years old, the oldest Church in the Faroe Islands, from the year 1111, and the ruins of the cathedral of San Magnus, built around 1300.

Free afternoon in Tórshavn to wander the streets on your own or relax in a harborside cafe watching local life.

DAY 8 - Tuesday - DEPARTURE
Transfer to the aiport.
Our driver will pick you up at your hotel 2 hours before your flight departing time.
In the Faroe Islands it's enough to arrive to the airport 1h before your flight, so airport transfers are always scheduled this way.

DREAM

The Faroe Islands is a nation of relaxing and welcoming places. We want you to enjoy this aspect during your trip, which is why we have selected a hotel to have the maximum relaxation after a day of excursion and the best of dreams during the night.

All **rooms have private bathrooms and breakfast is buffet** style.

You will stay 7 nights at the brand new Hotel Brandan, in Tórshavn, the capital. This is a modern **4-star hotel** opened in 2020.
Located a few minutes walk from the old part (Tinganes) and close to all the bars and restaurants.

The advantages of staying in Tórshavn...

The opening of a new sub-sea tunnel in 2020 makes it easier to visit all points of interest without traveling long distances from the capital, which is in a central point of the archipelago. The capital also provides many more options for dining.
